Reciprocating Townships for Master Plumbers

The Town of Islip reciprocates with the following Towns and Villages listed below. We do not reciprocate with either Suffolk or Nassau Counties. In order to hold a reciprocal license with the Town of Islip, the Applicant/Plumber must have taken a written exam and must maintain either a residence or place of business in the Town in which he/she is certified. A current Letter of Good Standing and Certificate of Competency from the Town in which the Applicant/Plumber is certified must be provided at time of application as well as each license renewal.

Master Plumbers who are certified with the Town of Islip, maintain either a residence or place of business within the Town of Islip and are in good standing with the Town of Islip can obtain a Letter of Good Standing from the Building Administration Department for any of the Towns and Villages listed below.

Please refer to section §40.10 of the Town of Islip Code for more information.

2. Village of Bayville 13. Village of Mineola
