

**Title****Job Description**

---

Building Inspector

The Town of Islip is seeking a Building Inspector. Minimum Qualifications: Graduation from a standard senior high school, vocational school or possession of a high school equivalency diploma, and two (2) years experiences in building construction in building construction or insertional or investigative work enforcing code and ordinances relating to the safety of building structures an occupancy. **NOTE:** Experience will be substituted for education on a year-for-year basis. Relevant education beyond high school from a college with federally- authorized accreditation or registration by NY State in Architecture, Civil Engineering, Construction Technology or a related field will be substituted for experience on a year-for-year basis.

A Building Inspector makes field inspections of building construction, alteration and repair, and of land use and land or building development or modification. The incumbent ensures and enforces adherence to building codes, particularly the codes concerning structural safety regulations and requirements, and applicable zoning codes and regulations. Duties require technical examination and the application of standard trade practices to inspection work. Although the primary function of employees in this class is the performance of field inspections, the work may also involve responsibility for the review, analysis, and/or approval of building plans and specifications. Employees are required to carry all assignments to completion with considerable independence.

**NOTE**

This position is a Civil Service open-competitive provisional title. Candidate will be required to take the Civil Service exam, pass the exam and be reachable on the list when it is established.
